

## **HURON A SEWER SEPARATION PROJECT** IMPORTANT NOTICE

RESIDENTS AND BUSINESSES LOCATED IN THE HURON A TO:

**NEIGHBORHOOD** 

Notice of Upcoming Preconstruction and NSTAR Gas Activities RE:

April 4, 2012 DATE:

The following preconstruction activities will be taking place within the Huron A neighborhood during the week of April 2, 2012 and April 9, 2012:

- The City's drilling contractor, Carr Dee Corp., will be drilling additional groundwater monitoring wells in the Huron A neighborhood.
- The City's sewer and drain video inspection consultant, National Water Main Cleaning Co., will be inspecting additional sewer and drain pipes on Lakeview Avenue and Larch Road.
- The City's sub-surface engineering consultant, BSI Engineering, Inc. will be conducting test pits on Lakeview Avenue between Huron Avenue and Vassal Lane.

NSTAR Gas has started gas main replacement and relocation work on Lexington Avenue between Huron Avenue and Worthington Street and Hawthorne Park.

This work is expected to continue for the next 3-4 weeks. NSTAR Gas will then continue gas main work on Larch Road, Grozier Road, Malcolm Road, Standish Street, and Vassal Lane. Work is expected to continue throughout the Spring.

Since these preconstruction and NSTAR Gas activities described above will be obtained within the roadway, parking will be temporarily impacted at various locations throughout the day between the hours of 8:00 AM and 5:00 PM. Police details will be onsite to assist neighbors.

Construction in the Huron A neighborhood is scheduled to start in late summer 2012.

Thank you for your cooperation.

Sincerely,

Kelly Dunn Community Relations Manager kdunn@cambridgema.gov 617.349.4870
